HotelREZ
HOTELS & RESORTS

Over the course of a decade HotelREZ has grown to be one of the leading representation companies dedicated to marketing and connecting independent hotels with bookers worldwide.

We work in partnership with our hotel members to provide products and services that will increase their positioning and optimise and grow revenues, whilst reducing costs.

We have built a global team of hotel industry professionals, who understand the changing face of hotel distribution and what is needed to help hoteliers build a successful business.

Our portfolio includes a wide variety of hotels and resorts, from sleek boutique city gems, to country-house retreats full of charm and history.

Connect

Hotel Distribution

Connect your property and manage your rates, availability and content on the GDSs as well as the leading travel websites, your hotel's own website and the HotelREZ call centres, all via one login to one system, or fully integrated to your PMS and your Channel Manager.

Sell

Hotel Representation

Grow your hotel's revenue through our global sales programme, including consortia, corporate, independent leisure, tour operator and MICE RFP programme participation, a global preferred partnership network, niche & tactical marketing campaigns, PR and call centre visits.

Optimise

Hotel Marketing

Differentiate your hotel from the competition and generate greater awareness with our wide range of added-value marketing consultancy and revenue services from search engine marketing to GDS advertising and tailor made marketing and sales campaigns.

Connect

Hotel Distribution with HotelREZ

HotelREZ Hotels & Resorts offers you a flexible interfaced hotel distribution solution. You can choose the channels you wish to distribute through the Central Reservation System. You can also centrally manage rates and content per channel, enabling you to put in place specific strategies to optimise your hotel's revenues.

GDS Distribution

Access over half a million travel agents worldwide who use the Global Distribution Systems, and millions more bookers who use websites that are powered by them.

Hotel Booking Engine

Increase sales directly to your hotel with REZbooker, a feature-rich and fully customisable booking engine, optimised for all devices from desktop to tablet and mobile.

Online Channels

Distribute rates and content loaded into the Central Reservation System to hundreds of websites; connected directly via the channel manager or the Pegasus Switch.

HotelREZ Call Centre

Enjoy voice and meeting bookings via our worldwide call centres. Use as an overflow service for when your reception is busy, as a private label CRO, or to run specific campaigns.

Sell Hotel Representation

Increase your hotel's revenue through HotelREZ's global sales programme. We can add real and measurable value to your hotel's business with our comprehensive set of demand generation activities, spanning all market segments.

We provide access to agents and preferred partners that would not or cannot work with 1,000 individual hotels, but will work with one company which represents them.

Targeted sales and marketing opportunities include:

Corporate, Leisure, TMC & Consortia RFPs

Access hundreds of consortia, corporate or leisure RFPs through HotelREZ's direct partnerships with local and global corporate clients, agencies and travel management companies.

Preferred Partners

Open your hotel to additional business with our global preferred partnership network of small and regional travel agencies, who ensure HotelREZ hotels gain high visibility and receive more reservations.

MICE (Meetings, Incentives, Conferences & Events/Exhibitions)

Generate valuable enquiries from event management companies, corporate clients, charities, associations and government bodies through our specialist MICE demand generation team.

Hotel Industry Events

Meet bookers face-to-face at hotel industry events and road shows, in order to increase their product knowledge and your hotel's revenue.

Portfolio Marketing

Reach new target audiences, including niche travel agents and consumers, by participating in HotelREZ's rate marketing programmes and brand marketing initiatives.

Voice Incentives

Drive more business to your hotel through HotelREZ's call centre marketing and incentive programmes, which include Virgin Experiences and Leisure Vouchers.

Optimise Hotel Marketing

HotelREZ Hotels & Resorts offers a wide range of added-value hotel marketing and consultancy services to choose from.

We can help you generate greater awareness and knowledge about your hotel, build a stronger brand image within specific markets, build loyalty and repeat business, or differentiate your hotel from your competitors.

Our consultancy team can help your hotel to plan and execute the right marketing strategies and campaigns to suit your needs.

Trade Marketing

Reach travel agents, consortia, corporate or MICE bookers through our tailor-made marketing campaigns from emails to targeted banner placements or GDS advertising.

Digital Marketing

Drive more traffic to your hotel's own website, with the help of HotelREZ's online marketing solutions, ultimately increasing your direct bookings.

PR & Social Media

Generate awareness and knowledge about a specific news story through our PR services and engage with customers through social media marketing.

Design Services

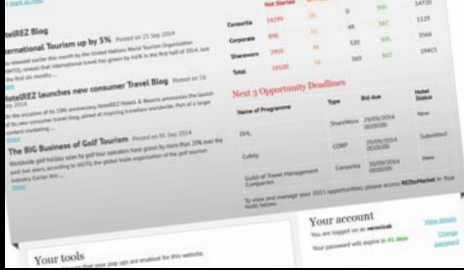

Engage the HotelREZ design team to design and build your hotel's website, email campaigns or develop hotel collateral including brochures, menus, signage and hotel logos.

Powerful Yet Adaptable Management Tools

At the core of HotelREZ connectivity is CentralREZ an online hotel Central Reservation System (CRS) designed for hotels and hotel groups that demand an adaptable yet powerful way to manage all online distribution.

From one real-time, easy to use web-based system, you can load and manage your rates and content and distribute them across a multitude of channels effortlessly.

Client	Yes	No	Other
DEKTOUR	0	0	709
Flight Centre Corporate	1	0	708
GSM Travel Management	0	0	709

One System Login

With one simple to use tool and one login, you can load and manage your rates and content. Updates can be made once and are then seamlessly distributed to the GDS and other channels as required.

Simple Rate Controls

Rate and availability calendars enable you to quickly change prices for a specific day or a range of dates. Create and edit new rates and packages, allocate room types, rate plans and closeouts by channels.

Business Intelligence

A powerful reporting dashboard gives you a snapshot of your property and how it is selling. On-demand reporting is also available with a suite of pre-formatted reports containing specific KPIs and market intelligence.

RFP Management

An online product that makes RFP completion fast and simple by storing all your property details and rate information in one place, allowing you to pre-populate the majority of fields on each RFP.

Commission Tools

Integrated commission payment processing designed to reduce errors and streamline operational procedures associated with settling commissions globally to all agencies, and in their local currency.

Interfaces

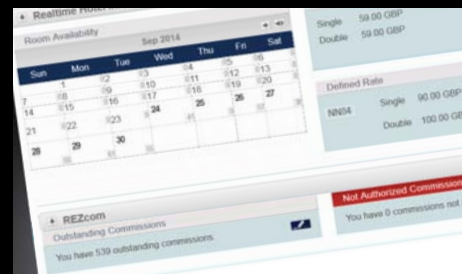

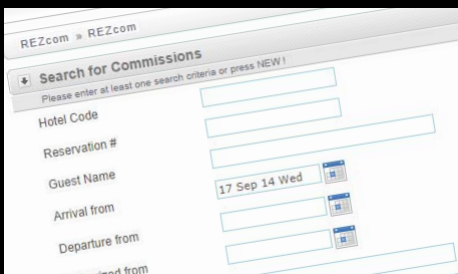

Enables you to send rate and availability data to the CRS and receive reservations into your hotel's own PMS and Channel Manager tool, cutting down on manual reservation work, such as availability updates.

Content Management

Centralised management of your hotel's content including cancellation and guarantee policies, hotel descriptions, images and rich media for all connected channels as well as RFP submissions.

PCI Compliant

CentralREZ Central Reservation System meets all international data security standards and is fully certified by the Payment Card Industry (PCI).

Helping Your Hotel Succeed

HotelREZ Hotels & Resorts provides its member hotels with proactive account management and a support culture that helps each hotel, regardless of size or ambition, achieve its objectives.

Revenue Management

We will work with you to develop the optimum rate and pricing strategy for your property. Revenue management advice includes rate sequencing, biasing, cross sell of hotels via alternative availability, as well as continuous reviews of all data and rates.

Content Audit

We will ensure that your hotel is sold in the best possible light and therefore enjoys the highest conversion ratios. Our team will review all of your hotel's information that is being distributed and will offer you any suggestions for increased efficiency.

Rate Loading

Using our technology, you will be able to load your own rates and immediately push them out to market, with no delay. Negotiated rates can also be loaded by staff at your hotel, or alternatively can be loaded by our rate loading department.

Training

We will train your hotel staff to an exceptional standard, enabling them to get the very best out of the HotelREZ systems and the global distribution available to you. We will continue to offer monthly training sessions for new staff or for those that need a refresher course.

Ongoing Support

We pride ourselves on the level of support we offer our customers. We will make every effort to immediately resolve any query on first contact, avoiding lengthy delays or protracted communication. Every communication with you will be ticketed, tracked and reported on.

Relationship Management

Our Account Management team will work with your hotel to set structured and measurable targets in the business planning process. Your hotel's progress will then be monitored through monthly reports showing statistical data by channel, rate and agency.
